

Beckfoot Trust

Beckfoot Trust is an organisation that links a group of Bradford schools together so they can benefit from shared values and student-centred strategies for success. By collaborating across primary, secondary and special schools, the Trust ensures young people flourish in their school years and leave prepared to thrive in later life. Each school in the Trust is in a different place on its journey towards becoming a remarkable learning environment, some are already outstanding, in-time they all will be.

The Trust is driven by a desire to improve the life chances of young people in Bradford:

- In Beckfoot Trust schools young people always come first and expect to achieve great things. They lead and shape the progress of their school community. School life is enriching and purposeful for everyone and parents engage fully in supporting their children to achieve great things.
- The Trust believes in great leadership that inspires staff to achieve more for their young people. The 'Beckfoot Teaching School' provides teacher training programmes to ensure staff are always at their best in the classroom.
- Beckfoot Trust schools are well led by effective headteachers supported by the Trust's 'Central Improvement Team'. Each school is systematic, accountable and extremely aspirational.
- Schools in the Trust educate Bradford's young people, are co-educational, comprehensive in status and ethos and closely grouped around the Trust's founding school, Beckfoot.
