

Phase 1

All students will be expected to review their learning prior to a half termly assessment using 365, named websites and/or teacher support material.

- Students will be provided with extending learning tasks on each cycle of work.
- Evidence of students homework will be produced verbally and through the application of knowledge to tasks set in the cycle of lessons.
- Weekly consolidation of learning from lessons.

Students are also required to catch up on work missed due to absence.

Phase 2

All students will be expected to review their learning prior to a half termly assessment using 365, named websites and/or teacher support material.

- Every week students should review their class work and check their understanding.
- Students should respond to feedback when work has been marked and respond appropriately.
- Emphasis on independent revision of key concepts and preparation for regular knowledge assessments.
- Other independent learning tasks may include completion of and or preparation for timed exams, research and wider reading, comprehension activities and project work.
- Weekly consolidation of learning from lessons.

Students are also required to catch up on work missed due to absence.

Post 16

All students will be expected to review their learning prior to a half termly assessment using 365, named websites and/or teacher support material.

Students are expected to undertake 5 hours of independent study each week. The teacher will provide guidance and direction on what to study.

- Every week students should review their class work and check their understanding.
- Students should respond to feedback when work has been marked and respond appropriately
- Emphasis on independent revision of key concepts and preparation for regular knowledge assessments.
- Other independent learning tasks may include completion of and or preparation for timed exams, research and wider reading, comprehension activities and project work.
- Weekly consolidation of learning from lessons.
