My 4 main campaign points are:

- To give you a voice and an opinion; you deserve to have your say.
- Anti bullying; no one deserves to be bullied for being different.
- Languages; there are advantages to knowing another language we can all benefit from and knowing a language broadens your options for the future.
- The environment; we are throwing away too much plastic; we need to reduce how much plastic we use.

If you vote for me, I will try my best to have the greaseproof paper that you get pizza bagels in to be replaced with cardboard so you don't burn your hands.

If you vote for me, I will do what I can to improve how we deal with bullying.

If you vote for me, I will do my best to get recycling bins for our waste - my petition has over 100 signatures!
