Dear Parents/Carers

### Student Equipment

Thank you for ensuring that your child is ready for learning each day. We have been issuing fewer and fewer sanctions as the vast majority of our students are always prepared for their lessons. Being prepared with the correct equipment also means that valuable lesson time is not lost.

This year we have issued all students with their own glue stick and mini-whiteboard pen in order to minimise the sharing of equipment between students. As we move forwards into the year, we would ask that these are provided by families when they run out or are misplaced.

In addition, we would ask that all students have a mini-whiteboard rubber – an old sock or small piece of kitchen cloth works great!

We have included an up to date equipment list below:

- Planner
- Lanyard
- A pencil case
- x3 Blue or black biros
- x3 Pencils
- A green pen
- A ruler
- A sharpener
- A rubber
- A compass
- A protractor
- A basic scientific calculator
- Mini-whiteboard pen
- Mini-whiteboard rubber (small piece of cloth or old sock works fine!)
- Glue stick
- A bag
- PE kit (on PE days)

Thank you for your continued.

Yours faithfully,

**Nikki Sullivan**  
Deputy Headteacher

**Headteacher:**  
Simon Wade  
**Chair of Academy Trustees:**  
John Winkley
