

Fact and Fiction		
1	What is the in the Bible?	A mix of fiction, history, poetry and prophecy
2	Is there evidence from prophecy?	The Old Testament prophesised that a saviour would come, and the New Testament validated this.
3	Is there evidence from archaeology?	There are 25,000 sites that show connection with the Old Testament that have been located in the lands of the Bible.
4	Is there evidence from history?	There are a lot more copies of the Bible than other historical documents.

His Dark Materials		
1	Who is Lyra?	Lyra symbolises a 'new Eve'. She is prophesised to save the world and bring down the power of the Church
2	Why has he been criticised?	Some fear that the books encourage dismissal of God, the Church and eternal life
3	Rowan Williams?	The books bring down false beliefs about God and provoke good conversations about faith.

Daemons		
1	What are daemons?	They are animals forms which represent a persons' soul
2	The Bible and souls?	God formed man's body from the dust, then, by breathing divine breath into it, made the body whole
3	Daemons and Dust?	Dust represents sin and adults have more sin than children. This sin settles on adults and shapes their daemons

The Da Vinci Code and Angels and Demons		
1	What new symbols does the Da Vinci code suggest?	As a symbol of spiritual truth, the Holy Grail also shows the sacred feminine, roses refer to Mary Magdalene and blood points to family descendants of Jesus.
2	Are women in the Bible?	There is no evidence that Jesus married or had children. Women had less status and significance in biblical times
3	Who are enemies in Angels and Demons?	The Illuminati are a secret and violent society who threaten to bomb the Vatican.
4	What did the Illumanti believe?	They were around from 1776 to 1785 and were anti-religion and tried to influence politics
