

Pre- and Post-Lapsarian			Original Sin and Society			Key Vocabulary	
1	Before the Fall?	Before the Fall, God, humans and nature had a harmonious relationship.	1	Authority?	Before the Fall, humans lived equally but after, they needed authority figures to control everyone’s concupiscence	Caritas	Selfless love
2	God and human?	Adam and Eve’s wills were aligned with God’s will. This was true freedom as they were not enslaved to desire and lust	2	Types of peace	<ul style="list-style-type: none"><li>Authority helps us achieve earthly peace (temporary and with material interests) through virtues like self-control.</li><li>Heavenly peace is eternal and selfless</li></ul>	Cupiditas	Selfish love/desire
2	Adam and Eve?	Lived in Concordia: married as friends and harmonious				Concordia	Harmonious friendship between Adam and Eve in Eden
3	The Fall?	Adam chose to will something different to God and prioritise his own will. This caused disharmony	3	Slavery?	Key example of concupiscence – people use anything and anyone for their own gain	Concupiscence	Our human nature to be sinful and greedy
						Grace	God’s unconditional and salvific love
						Original sin	Caused by the Fall and inherited by all humans. The first sin
						Perfection	God made the world good and perfect
						Postlapsarian	After the Fall
						Prelapsarian	Before the Fall
						Sin	Turning against the will of God
						Summum bonum	The highest good
						The Fall	The moment of Adam and Eve’s disobedience brought punishment
						Will	God gave humans a will to make choices. The will is driven by love
