

Beckfoot CEIAG Events Calendar 2020 - 2021

CEIAG (Careers, Education, Information and Guidance) raises the ambition of all young people. It increases motivation by linking activities in school with preparation for life post-16 and post-18. CEIAG will therefore contribute to raising pupil achievement, help students focus on their longer-term career ambitions and ensure an equality of opportunity for all. Our aim is to deliver a high quality CEIAG programme which targets individual students for their specific needs, whilst broadening their connections to the wider working world.

Thank you for supporting CEIAG again this year.

Activity Overview	Year	Month
PSHCE – A 6-week programme introducing our students to the Unifrog platform and our New Careers Pages and Virtual Careers Fair.	7-11	November/December
Aim Higher: OWN FUTURES & Leeds Beckett University Gatsby Benchmarks: 1,2,3,5,6,7,8 A fantastic way to encourage students to Aim High! With information, activities and advice about life and courses at universities and degree level apprenticeships, this will help start students thinking about how high they could aim.	Year 10: Small targeted group of 20 students	November
Employability Skills – Taught Programme OWN FUTURES Gatsby Benchmarks: 1,2,3,5,7,8 This scheme allows students the opportunity to identify their skills and qualities, develop them and learn how these can help them prepare for their future. The programme is fully planned, resourced, and delivered by Own Futures with support from business volunteers where appropriate.	Targeted Year 11 students	November
Virtual Careers Convention OWN FUTURES/Beckfoot Gatsby Benchmarks: 1,2,3,5,6,7,8 A fabulous 'one-stop' way for students to meet and engage with a whole host of business volunteers from across a full range of sectors. The careers convention will be planned, organised, run and evaluated by Own Futures in conjunction with the school to ensure we fit in with needs and requirements of the school day. The event is designed to raise aspirations, open students' eyes to the different career options there are out there and inspire them!	Years 7-13	December
Careers Panel: AHEAD (Online) Gatsby Benchmarks: 1,2,5,7,8 Careers panels are the perfect way for students to learn from business people from a wide range of sectors. Our interactive quiz format encourages the students to ask business volunteers their own questions about careers journeys, sectors, key skills needed for employment and the different roles available in a business. A diverse panel is guaranteed.	Year 10	January
Keighley College Classroom Talk Gatsby Benchmarks: 1,2,3,5,7,8 Staff from Keighley College will talk to students about the different courses and levels that they offer and explain apprenticeships and how to successfully apply.	Targeted Year 10	January
Speed Networking: AHEAD (online) Gatsby Benchmarks: 1,2,5,7,8 Virtual Speed Networking is a valuable opportunity for students to gain insight into the range of roles available within various business sectors. This activity will run through half a day with volunteers virtually visiting classrooms to deliver a small presentation followed by a Q&A.	Year 11	January

Employability Skills – Taught Programme OWN FUTURES Gatsby Benchmarks: 1,2,3,5,7,8 This scheme allows students the opportunity to identify their skills and qualities, develop them and learn how these can help them prepare for their future. The programme is fully planned, resourced, and delivered by Own Futures with support from business volunteers where appropriate.	Targeted Year 10 students	March
Interview Practice AHEAD (Online) Gatsby Benchmarks: 1,2,3,5,7,8 Each student is interviewed individually by a business volunteer and then receives feedback. This gives students valuable experience of what a business may seek when looking for potential new recruits and how students can improve their presentation style.	Year 9	April/May
Careers Panel: AHEAD (Online) Gatsby Benchmarks: 1,2,5,7,8 Careers panels are the perfect way for students to learn from business people from a wide range of sectors. Our interactive quiz format encourages the students to ask business volunteers their own questions about careers journeys, sectors, key skills needed for employment and the different roles available in a business. A diverse panel is guaranteed.	Year 10	April

We will be adding to this programme throughout the year
