# ASSESSMENT EVIDENCE

## YEAR 11 TEACHER ASSESSED GRADES

SUMMER 2021

enjoylearnsucceed

# Maths

<b>Entry Level Mathematics – Subject Code 5930</b>	<b>Type of Assessment</b>
Assessments using components 1- 8 – Evidence collated for the 8 components using the AQA material provided as usual and logged on the central tracking spreadsheet	Examination using EL material provided by AQA

<b>Level 2 Further Maths - Subject Code 8365</b>	<b>Type of Assessment</b>
Assessment 1: Evidence supported by Maths GCSE 8300 [Mock examination taken on 8 <sup>th</sup> October 2020]	[Examination – Paper 1 non-calculator full GCSE locked paper from AQA (November 2019)]
Assessment 2: Evidence supported by Maths GCSE [Mock examination taken on 24 <sup>th</sup> and 26 <sup>th</sup> November]	[Examination – Paper 2 and 3 calculator full GCSE paper from AQA (June 2019)]
Assessment 3: Evidence supported by Maths GCSE [Mock examination taken on 5 <sup>th</sup> and 10 <sup>th</sup> May 2021]	[Examination - Two 90 minute exams formed using actual AQA exam papers from November 2020]
Assessment 4: Paper 1 FM L2 Exam Sat on Friday 15 <sup>th</sup> May 90 minutes	[Examination – full GCSE past paper sat taken from June 2019 and levelled using published grade boundaries}

<b>GCSE Mathematics - Subject Code 8300</b>	<b>Type of Assessment</b>
Assessment 1: [Mock examination taken on 8 <sup>th</sup> October 2020]	[Examination – Paper 1 non-calculator full GCSE locked paper from AQA (November 2019)]
Assessment 2: [Mock examination taken on 24 <sup>th</sup> and 26 <sup>th</sup> November]	[Examination – Paper 2 and 3 calculator full GCSE paper from AQA (June 2019)]
Assessment 3: [Mini assessments sat in class once a week across the whole of year 11. 20 marks using previous exam questions tailored to each class by the class teacher. Evidence for 3 half terms over the year September to February]	[Examination]
Assessment 4: Grading of classwork completed after 26 <sup>th</sup> March, use of grade descriptors from JCQ applied to student's work	[Classwork]
Assessment 5: [Mock examination taken on 5 <sup>th</sup> and 10 <sup>th</sup> May 2021]	[Examination - Two 90 minute exams formed using actual AQA exam papers from November 2020]

# Computer Science

<b>GCSE AQA Computer Science - Subject Code 8520</b>	<b>Type of Assessment</b>
Assessment 1: [e.g. Mock examination taken on 3 January 2020]	[e.g. Examination]
Assessment 1: Mock Examination Paper 1 taken on October 2020	Mixed P1 questions
Assessment 2: Mock Examination Paper 2 taken on October 2020	Mixed P2 questions
Assessment 3: Mock Examination Paper 1 and Paper taken on 6 <sup>th</sup> May 2021	Mixed P1 and P2 questions
Assessment 4: Topic 3 Data Representation Topic Test taken on February 2021	Mixed Topic 3 questions
Assessment 5: Topic 4 Computer Systems Topic Test taken on March 2021	Mixed Topic 4 questions
Assessment 6: Topic 5 Computer Networks Topic Test taken on March 2021	Mixed Topic 5 questions
Assessment 7: Algorithms and Programming taken on April 2021	AQA Assessment Materials - Mixed questions from secure area
Assessment 8: Knowledge Understanding and Extended Response taken on May 2021	AQA Assessment Materials - Mixed questions from secure area

# Information Technology

OCR Information Technology J808	Type of Assessment
Assessment 1: [e.g. Mock examination taken on 3 January 2020]	[e.g. Examination]
Assessment 1-4: LO1, LO3, LO4 and LO6 end of topic assessments (Sept-Feb)	Mixed RO12 questions
Assessment 5: Mock Examination OCR IT Paper RO12 taken on 17 <sup>th</sup> May 2021	Mixed RO12 questions
Assessment 6: Reflection Grid 1 taken on March 2021	Mixed questions from secure area
Assessment 7: Reflection Grid 2 taken on April 2021	Mixed questions from secure area
Assessment 8: Reflection Grid 3 taken on May 2021	Mixed questions from secure area
Assessment 9: Project Life Cycle, Data, Information and Knowledge. May 2021	Mixed questions from secure area
Assessment 10: Collecting, storing, processing data & presenting information. May 2021	Mixed questions from secure area

# English

English Literature Subject Code: 8702	Evidence to contribute to grade	Type of Assessment
1	An Inspector Calls Essay	Mock exam answer produced in class under exam conditions.
2	Nineteenth century Novel Essay	Essay produced during lockdown to assess this unit.
3	Romeo and Juliet Essay	Essay produced in class.
4	Unseen Poetry Response	Essay response produced in class under exam conditions.
5	Romeo and Juliet Mock	Mock exam answer produced in exam conditions in an examination hall.
6	Unseen Poetry Mock	Mock exam answer produced in exam conditions in an examination hall.
7	Work produced in exercise books.	Day to day work practicing and demonstrating a range of skills.

English Language Subject Code: 8700	Evidence to contribute to grade	Type of Assessment
1	Paper 2: Writer's Viewpoints and Perspectives Nov 2019 Paper	Mock exam produced in exam conditions in an examination hall.
2	Paper 1: Explorations in Creative Reading and Writing Q5.	Creating writing response produced in class.
3	Paper 1: Explorations in Creative Reading and Writing	Mock exam produced in exam conditions in and examination hall.
4	Work produced in exercise books.	Day to day work practicing and demonstrating a range of skills.

# Science

<b>GCSE Combined Science 8464</b>	<b>Type of Assessment</b>
Assessment 1: Mock Exam November 2020	AQA past papers
Assessment 2: Quantitative Chemistry Test Oct/Nov 20	Kerboodle end of topic test – exam style questions
Assessment 3: Organic Chemistry Test Jan/Feb 21	Kerboodle end of topic test – exam style questions
Assessment 4: Waves Test Dec 20	Kerboodle end of topic test – exam style questions
Assessment 5: Inheritance and Variation Test Sept. 20	Kerboodle end of topic test – exam style questions
Assessment 6: Mock Exam May 2021	AQA past papers

<b>GCSE Biology 8461</b>	<b>Type of Assessment</b>
Assessment 1: Bioenergetics Test – Jan/Feb 2020 40 minutes	Kerboodle test with exam style questions
Assessment 2: Inheritance, Variation and Evolution Test – Nov/Dec 2020 40 minutes	Kerboodle test with exam style questions
Assessment 3: Mock Exam 1 – November 2020 1 hr 45 minutes	<i>Mock exam using full AQA exam paper</i>
Assessment 4: Mock Exam 2 – May 2021 1 hr	Mock exam using AQA past paper questions

<b>GCSE Chemistry 8462</b>	<b>Type of Assessment</b>
Assessment 1: Quantitative Chemistry Test – Sept/Oct 2020 40 minutes	Kerboodle test with exam style questions
Assessment 2: Organic Chemistry Test – Nov/Dec 2020 40 minutes	Kerboodle test with exam style questions
Assessment 3: Mock Exam 1 – November 2020 1 hr 45 minutes	<i>Mock exam using full AQA exam paper</i>
Assessment 4: Mock Exam 2 – May 2021 1 hr	Mock exam using AQA past paper questions

<b>GCSE Physics 8463</b>	<b>Type of Assessment</b>
Assessment 1: Mock Exam – Nov 2020 1 hr 45 mins	<i>Mock exam using full AQA exam paper</i>
Assessment 2: Waves test – Oct/Nov 2020 40 minutes	Kerboodle test with exam style questions
Assessment 3: Space Physics test – Oct/Nov 2020 40 minutes	Kerboodle test with exam style questions
Assessment 4: Mock Exam – May 2021 1 hr	Mock exam using AQA past paper questions

# MFL - French

GCSE French – Foundation Tier	Type of Assessment
Assessment 1 (May 2021): Reading Paper.	Mock Examination
Assessment 2 (May 2021): Listening Paper.	Mock Examination
Assessment 3 (May 2021): Writing Paper.	Mock Examination
Assessment 4: HT2 Reading & Listening 2018 Papers.	Assessment in Class
Assessment 5: HT3 Translation (English – French).	Assessment in Class
Assessment 6: HT4 40/90 Word Writing Question.	Assessment in Class
Assessment 7: Reading, Listening and Writing Activities.	Supplementary Reading, Listening and Writing activities carried out throughout the year by teachers and tailored to each individual class. All recorded on the MFL central tracker.

GCSE French – Higher Tier	Type of Assessment
Assessment 1 (May 2021): Reading Paper.	Mock Examination
Assessment 2 (May 2021): Listening Paper.	Mock Examination
Assessment 3 (May 2021): Writing Paper.	Mock Examination
Assessment 4: HT2 Reading & Listening 2018 Specimen Exam Papers.	Assessment in Class
Assessment 5: HT3 Translation (English – French).	Assessment in Class
Assessment 6: HT4 90 Word Writing Question.	Assessment in Class
Assessment 7: Reading, Listening and Writing Activities.	Supplementary Reading, Listening and Writing activities carried out throughout the year by teachers and tailored to each individual class. All recorded on the MFL central tracker.

# MFL - German

GCSE German – Foundation Tier	Type of Assessment
Assessment 1: Reading Paper.	Mock Examination
Assessment 2: Listening Paper.	Mock Examination
Assessment 3: Writing Paper.	Mock Examination
Assessment 4: 2018 Listening and Reading Paper.	Assessment in Class
Assessment 5: Translation into German.	Assessment in Class
Assessment 6: 90-word essay on jobs.	Assessment in Class
Assessment 7: 90-word essay and translation on home and local area/ self and free-time.	Assessment in Class
Assessment 8: 90 words on School.	Assessment in Class
Assessment 9: Reading, Listening and Writing Activities.	Supplementary Reading, Listening and Writing activities carried out throughout the year by teachers and tailored to each individual class. All recorded on the MFL central tracker.

GCSE German – Higher Tier	Type of Assessment
Assessment 1 (May 2021): Reading Paper.	Mock Examination
Assessment 2 (May 2021): Listening Paper.	Mock Examination
Assessment 3 (May 2021): Writing Paper – 40 Word Question.	Mock Examination
Assessment 4: HT1 2018 paper Listening and Reading paper.	Assessment in Class
Assessment 5: HT2 Translation into German.	Assessment in Class
Assessment 6: HT2 90-word essay on jobs.	Assessment in Class
Assessment 7: HT3 full writing paper on home and local area/self and free-time.	Assessment in Class
Assessment 8: HT4 90 words on school.	Assessment in Class
Assessment 9: Reading, Listening and Writing Activities.	Supplementary Reading, Listening and Writing activities carried out throughout the year by teachers and tailored to each individual class. All recorded on the MFL central tracker.

# History

GCSE History	Type of Assessment	Unit	Topic(s)	Marks	Paper used
Assessment 1: October 2019	End of unit	America	America: Opportunity and Inequality – P1	/28	Teacher assessment based on example questions Teacher assessments rather than exam materials used here to fit with the content taught by this point
Assessment 2: January 2020	End of unit	America	America: Opportunity and Inequality – Part 1 & 2	/40	Teacher assessment based on example questions and Sample paper 1 from Paper 1A
Assessment 3: September 2020	Mini Assessment	Asia	Conflict and Tension in Asia part 2	/32	Teacher assessment based on example questions Teacher assessments rather than exam materials used here to fit with the content taught by this point
Assessment 4: November 2020	End of unit	Asia	Conflict and Tension in Asia part 1 & 2	/44	Q1-2 from 2019 GCSE paper 1B, Q3 from 2018 GCSE paper 1B, Q4 based on examples
Assessment 5: November 2020	Mock assessment	USA	America: Opportunity and Inequality – whole unit	/40	Q1- 3 & 5 from 2018 GCSE paper 1A, Q4 & 6 based on examples
Assessment 6 February 2021	Mock assessment	Medicine	Britain Health and the People – whole unit	/44	November 2020 GCSE Paper 2A
Assessment 7: April 2021	Mini assessment	Medicine	Renaissance treatments Vaccination Penicillin	/16	Question 1 from 2019 GCSE paper 2A Question 2 teacher assessment based on example questions
Assessment 8: April 2021	Mini assessment	Medicine	Public Health across whole time period studied	/20	Mini essay (Q4) taken from 2021 assessment materials

Assessment 9: May 2021	Mock assessment	USA	America: Opportunity and Inequality – whole unit	/40	Teacher assessment based on 2021 assessment materials and example questions
Assessment 10: May 2021	Mock assessment	Asia	Conflict and tension in Asia – whole unit	/44	Teacher assessment based on 2021 assessment materials and example questions

# Geography

GCSE Geography 8035	Type of assessment	Unit Title	Marks	Date	Paper Used
Year 10 DC3	Cumulative average of Year 10 based on average of end of unit assessments	Challenge of natural Hazards The Living world Changing economic world Resource management			AQA past exam and sample assessment papers
Assessment 1: Rivers mid unit assessment	Mid unit assessment	UK: Physical landscape- Rivers	30	September 2020	Combination of AQA past exam and sample assessment papers.  This has been done to avoid students access exact papers before the assessments. Please see folder for example.

Assessment 14: 26 Apr 2021	Exam questions	/12	Evaluation question – E commerce	2019 P1

# Enterprise

Enterprise	Type of Assessment	Topic(s)	Marks
<b>R065</b>	Coursework	Customer Profile	12
		Market Research	18
		Design a Product	12
		Viability of Product	18
<b>R066</b>	Coursework	Promotional Plan	18
		Plan to Pitch a Proposal	9
		Pitch a Proposal	21
		Evaluate the Pitch	12

# Physical Education

Year 11 Unit 1	Type of Assessment
Assessment 1: <i>[External exam June 2020]</i>	<i>Written exam</i>

Year 11 Unit 2	Type of Assessment
Learning Aim A – Rules and regulations	<i>Coursework</i>
Learning Aim B – Practical sports performance and tactics/techniques	<i>Coursework</i>
Learning Aim C – Performance Analysis	<i>Coursework</i>

Year 11 Unit 3	Type of Assessment
Learning Aim A – Planning a training programme	<i>Coursework</i>
Learning Aim B – Body systems	<i>Coursework</i>
Learning Aim C – Carrying out training programme	<i>Coursework</i>
Learning Aim D – Reviewing training programme	<i>Coursework</i>

# Music

BTEC Music 11DMT1	Type of Assessment
Component 1- Learning aim A and B Cag grade given at the end of year 10.	<i>Coursework- Partially complete- written evidence and audio of performances embedded</i>
Component 2- Learning aim A	Written course work complete- Internally IV'd sample and sample SV'd externally
Component 2- Learning aim B	Written course work including audio / video evidence complete- Internally IV'd sample and sample SV'd externally

# Performing Arts

BTEC Technical Award in Performing Arts	Type of Assessment
<u>CLASS 11D</u>	
Centre Assessed Grade Component 2	Evidence: <b>Incomplete unit</b> - C2 partial milestone log (LA A LA C) - C2 partial log book (LA A LA C) - Written tasks in class - Recordings of workshops (LA A) - Recordings of rehearsals (LA B) - Recordings of mock performances (LA B)
Component 1 coursework	Evidence: Online document submission – research and analysis into one performance style and play
Component 3 exploration	Evidence: mini ideas log and video footage from practical tasks showing ideas and skills development
<u>CLASS 11C</u>	
Centre Assessed Grade Component 1	Evidence: - C1 partial log book - Written tasks in class - Recordings of workshops
Component 2 performance	Evidence: Recording of final performance and rehearsal footage
Component 3 exploration	Evidence: mini ideas log and video footage from practical tasks showing ideas and skills development

# Performing Arts

BTec Technical Award

**Question 1: Briefly describe the holistic approach to determining the quality of evidence.**

Explain the quality of evidence and details of your approach to internal quality assurance.

CLASS 11D:

Component 1 – This will be completed with adaptations to assessment evidence (Examination of one performing arts work in one performance style).

Component 2 - Students have been awarded a CAG for C2 based on their practical (Learning Aim A and Learning aim B) and written logs (Learning aim C) that had been completed so far. The CAGs were awarded based on incomplete work, however students had taken part in performances and were one week away from their final performance for this component.

Component 3 – CANCELLED COMPONENT. However, students have started to develop ideas in response to the brief. Therefore, some minimal evidence will be generated through an 'Ideas Log' and rehearsal footage in one lesson to show learners selecting and developing skills in response to a brief.

We also have evidence of learners hitting AO1 for C3 Understand how to respond to a brief A02 Select and develop skills and techniques in response to a brief, from work undertaken in C1 and C2.

CLASS 11C

Component 1 – students have been awarded a CAG for C1 based on their practical workshops (for Learning aim B) and incomplete coursework /written tasks where criteria has been his for Learning Aim A and B.

Component 2 – This has been completed with adaptations (Removal of evidence through log portfolio – only performance to be assessed)

Component 3 – CANCELLED COMPONENT. However, students have started to develop ideas in response to the brief. Therefore, some minimal evidence will be generated through an 'Ideas Log' and rehearsal footage in one lesson to show learners selecting and developing skills in response to a brief (monologue)

We also have evidence of learners hitting AO1 for C3 Understand how to respond to a brief A02 Select and develop skills and techniques in response to a brief, from work undertaken in C1 and C2.

# Fine Art

<b>GCSE Fine Art 8202 (Component 1)</b>
Assessment 1: <b>Michael Lang Artist Study</b> <i>October 2020</i>
Assessment 2: <b>Nicola Tilley</b> <b>Artist Study</b> <i>November 2020</i>
Assessment 3: <b>Primary Photographs, Observational Drawings and Abstract Compositions, Critical Reflections and Personal Histories Project.</b> <i>March 2021</i>

# Graphics

GCSE Graphics 8203 (Component 1)	Type of Assessment (Evidence)
Assessment 1: <b>Logo Developments</b> <i>October 2020</i>	
Assessment 2: <b>Logo Developments</b> <i>November 2020</i>	
Assessment 3: <b>Logo Developments &amp; entire Comic Con project evidence.</b> <i>March 2021</i>	

# Music

GCSE Music 1MU0	Type of Assessment
Assessment 1: <i>Solo performance submitted 30<sup>th</sup> April</i>	<i>Performance recording for performance unit.</i>
Assessment 2: Free choice composition submitted 30 <sup>th</sup> April	Composition recording for composition unit.
Assessment 3: Mock exam taken in November 2020	Full mock listening and appraising exam.
Assessment 4: Listening questions sat on 12/4/2021	Two listening questions on set work material.
Assessment 4: Listening questions sat on 19/4/2021	Two listening questions on set work material.
Assessment 4: Listening questions sat on 26/4/2021	Two listening questions on set work material.
Assessment 4: Mock exam taken in May 2021	Listening and essay questions.

# Engineering

GCSE OCR Engineering Manufacture	Type of Assessment
Assessment 1: R109 CAGs from Year 10	<i>Based on Year 10, CAGs were produced for the exam unit</i>
Assessment 2: R110	NEA
Assessment 3: Part R111	NEA
Assessment 4: R109 Year 11	Exam Unit questions – Assessed during ‘Mock period’

# Photography

AQA GCSE Photography 8206	Type of Assessment (Evidence)
Assessment 1: Artist research and studies October 2020	2-3 artist research sheets with contextual analysis. Contact sheets evidencing primary photographs, edits and critical reflections.
Assessment 2: Experimental photography and editing November 2020	Annotated contact sheets evidencing primary photographs, experimental digital edits and critical reflections.
Assessment 3: Sampled Portfolio evidence March 2021	Emphasis on one or more of the following projects with portfolio: <ul style="list-style-type: none"> <li>• Distorted Portraiture</li> <li>• Forces</li> <li>• Choice of Colour</li> <li>• Reflections</li> <li>• Landscapes</li> </ul>

# Hospitality & Catering

GCSE WJEC Hospitality and Catering	Type of Assessment
Assessment 1: Unit 1	External Assessment
Assessment 2: Unit 2	NEA

# Music Tech

## Evidence Records

**Question 1: Briefly describe the holistic approach to determining the quality of evidence.** *Explain the quality of evidence and details of your approach to internal quality assurance.*

Students have produced evidence in line with the original course specification after the changes made for Covid. Students partially completed component one and were given a CAG for this in summer 2020. Coursework for Component 2 completed, and a sample of this work was internally IV'd and externally SV'd.

Student grades for the course will be based on marked learner work completed from the first 2 components. This will include practical work as well as written evidence.

# Media Production

BTEC Creative Media Production	Type of Assessment
<i>Component 1 (Learning Aims A &amp; B)</i>	<i>Written analysis of existing media texts. Fully completed by all students. Internally IV'd and a sample externally SV'd. Awaiting results.</i>
Component 2 (Learning Aims A & B)	Creative production of a magazine cover and double-page spread.  (Where a student has struggled to cover elements of this Component, this will be taken into consideration.)
