# How can the Beckfoot Futures Team support you?

## Exciting Plans

Our team have been busy planning a programme of events ready for the next academic year. Keep a look out for year 10 interview practice and our amazing careers convention for all year groups. We will also be running small targeted events such as Aim Higher, Employability Skills for years 10 and 11 and the University and Apprenticeship fair in the Autumn term. This is all alongside the personal advice and guidance offered to students from our impartial careers advisor, Liz Palmer.
