Leeds Sixth Form College - Year 7-11 Parents' and Carers' Information Event

Virtual Platform - Demio, October 21 at 6pm

Dear Parent/Carer,

Leeds Sixth Form College will be hosting a virtual year 7-11 Parents' and Carers' Information Event on **21 October 2021 6pm**.

This event is taking place virtually on Demio and is an opportunity for parents, carers and prospective students to find out more about Leeds Sixth Form College and the different courses we have to offer at Post 16.

During the event, we will cover areas such as the A-level subjects we offer, entry requirements and progression, the application process and what to expect at an interview. You will have the opportunity to hear from our Head, Elisabeth Protopapa, as well as guest speakers from a range of areas such as admissions, SEND support and the Students' Union. Our virtual campus tour video will allow you to familiarise yourself with our fantastic sixth form facilities. The School Liaison team will be hosting a live Question and Answer session and this will be a great opportunity to have your questions answered directly by the team.

To book on to one of the two presentation time slots, please register by visiting www.leedssixthform.ac.uk > What's Happening > Events and Open Days.

To find out about the other types of courses on offer, you can also attend our virtual Leeds City College Post 16 Information Event for Parents and Carers. Please register via our website by visiting - www.leedscitycollege.ac.uk > Menu > Events, then click on the event and then register.

If you have any questions please get in touch with the School Liaison team who are hosting event - transitionteam@leedssixthform.ac.uk

Kind regards,

Leeds Sixth Form College School Liaison team
