You are invited to an evening of celebration.

Year 7 have been involved in a challenge we run each year to engage students in extracurricular activities to enrich their learning experience. Over the past few months, the students have been working hard to fill in their Beckfoot University passports with all the wonderful extra-curricular activities they have participated in. Our students have excelled all our expectations and it is time to celebrate their success.

We are holding a graduation ceremony on Wednesday 8 June 2022 at Victoria Hall, Shipley.

The ceremony marks not only their achievements with the Beckfoot University challenge but also their graduation from Year 7 to Year 8. We have enjoyed a brilliant academic year and I hope you will join us.

Due to the size of the venue, there will be two ceremonies, please choose which one you and your child would like to attend. There will be limited spaces for each ceremony, and we will allocate space on a first come first serve basis.
