National Careers Service exam results and next steps webinars for parents and carers

With exams ending, many pupils will be preparing to take their next step into further academic studies or the workplace – which we know can be confusing and feel a bit daunting.

Throughout the summer, the National Careers Service is running a series of webinars for parents and carers of young people who are expecting their exam results this August. You will be able to learn more about how to support their children with advice about choices and careers, including useful information sources, advice for results day and a Q&A with a panel of experts. The [webinars schedule](#) is now available.

Our careers advisor, Liz Palmer, will be available on results day GCSE results day (Thursday 25th August) to offer impartial advice and guidance. She is contactable on both A Level (Thursday 18th August) and GCSE results day by phone 07811 504139 or email: liz.palmer@bradford.gov.uk.

LRC

Our careers library is now fully stocked and updated for the year ahead. This includes a comprehensive selection of University guides and courses, career specific literature such as “The A-Z of Careers and Jobs” and a full range of KS3 resources. Come down to the LRC to borrow a book!

Websites

Why not have a look at our website: [Beckfoot School - Useful Websites](#). We have easy links to several key websites such as NHS careers, Medical Mavericks, Amazing Apprenticeships, UCAS and many more including local colleges and providers.

Useful Websites

unifrog
Unifrog is a complete destinations platform that allows students to search for opportunities and make applications for their next steps. We are using this exciting platform across Year 7-13. Students learn how to use Unifrog in PHSC. It offers students loads of ideas on careers, courses, improving their skills and qualities, and lots more! Click here to sign in to Unifrog, use your school email address as your user name and choose a password.

NHS Careers
There are over 350 different NHS careers and everyone makes a difference to people's lives everyday. It doesn't matter whether you're still in education, thinking about switching your career or already working in health, you'll get the information you need. You'll also find real-life stories and films of those already working in health.

THE MEDICAL MAVERICKS ACADEMY
Beckfoot has recently subscribed to the online platform Medical Mavericks Academy which features interviews with a huge range of medical professionals as well as activities to try. To watch the videos and access The Academy you need to create an account, click here for details.

How can the Beckfoot Futures Team support you?

Year 11 Advice and Guidance

As students begin year 11, it is important to start thinking about post-16 options. For impartial advice and guidance, we have a dedicated service on site Wednesday – Friday from Liz Palmer. We encourage all students to have a plan A and a plan B in place for next year. If you'd like to request an appointment for support with your next steps, please do so via the careers team based in the LRC.

Have you seen our website?

Alongside the useful websites outlined earlier, we have a wealth of other resources available to support your child. This includes links to providers, employers and Universities; resources for parents and information about our futures programme. Our website is updated regularly with labour market information, open days and so much more! Please have a look and get in touch if you have any queries.
