

Complete the Seneca assignment at the link below. Be sure to use the link for your class.

Remember, this is 2 lessons worth of work so just do as much as you can in the time that you have – everyone will work at a different pace.

Extension: Write a newspaper article on a topic of your choice.

Write a story or description based on one of the pictures above. You should aim for 1-2 sides of A4.

Here are some ideas to help you:

- Start with a description of the weather and the atmosphere.
- Zoom in on an object or person. Describe in detail.
- Zoom in on another object or person. Describe in detail.
- Return to the weather and atmosphere, but focussing on how it has changed. Has it got more intense? Sunnier? Colder? Windier? Darker?

Remember, you can use your imagination to include ideas that you can not directly see in the image. E.g. Is someone hidden behind the tree? Does someone enter the location?

Try and include:

- Pathetic fallacy
- Simile
- Metaphor
- Personification
- Use interesting verb choices
