

GCSE Business Revision

BBC Bitesize

1. Guides

Using your RAG rating, read the relevant guides for units you are less confident about. Transform them!

2. Quizzes

Test yourself after each guide to check your knowledge and understanding

3. Quick-fire question

Answer the 10 quick-fire questions that should take approximately 5-10 minutes to complete. Questions will refresh.

4. Exam-style Questions

Attempted the quizzes based on GCSE Business past papers.

Using past papers

1. Time

Practice in timed conditions.

2. Plan

Plan longer answers
Check your plan against the mark scheme.
Attempt to answer the question.

3. Model answers

Use model answers/ mark-schemes to pull apart and identify the key parts. Then answer a similar question and try to replicate.

4. Command words

Understand the AQA exam command words

My learning resources
