

FUTURES EVALUATION 2023-2024

Beckfoot School is committed to providing a programme of careers and information guidance for Year 7 and up to allow students to think about, plan, reflect and refine their decision about their post-16 and post-18 options.

Over the past year, we lead an astonishing 39 events with a total of 3982 different student encounters. Our futures programme is designed to provide as much variety as possible to students, maximising their opportunities for the future.

As part of our Futures Programme, we are proud to work closely with Ahead Partnership who provide the interview practice sessions for year 9 and the careers panel for year 10. Here is some feedback from those events.

"It helped me understand what jobs I could do in the future and what potential I have."

- Student, Year 9

"I find that it was very reassuring for future interviews as it's not something to be afraid of."

- Student, Year 9

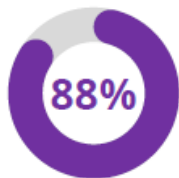

"It informed us on what we can be doing to make our job applications stronger. It was interesting to hear from people with unique careers."

- Student, Year 10

"It has made me think about what I need to do to prepare and also what I can put on my CV."

- Student, Year 10
